

SWIMMING (18.13)

The Swimming/Natation Canada Rules will be used unless special rules are put forth by the NBIAA. In this case the NBIAA rules will take precedence over any other rules. Schools must be sure to follow the New Brunswick Safety Guidelines for Secondary Interschool Athletics regarding all athletes & coaches.

4. Registration of Teams:

5. Regional Regulations
 - a) Each school may enter **two (2)** athletes per individual event and one team per relay event in each category.

 - c) The top **six (6)** swimmers from each level and event will qualify for the Provincial Championships and they can only swim in what they qualify for.
 - d) Swimmers **must** compete in the Regionals to advance to the NBIAA Championships.
 - e) Relays: Schools do not have to qualify their relay teams for the Provincials, but all members of the relay teams must be made up of swimmers who have participated in an event in the regionals. *A Senior relay team can allow a Junior athlete to move up to complete the relay team, as long as they are not replacing an eligible Senior athlete.
